

# Slate Run Road Closure Advisory

## Tiadaghton State Forest

### Slate Run Road Area

Slate Run Road is located between Route 44 and Route 414 in the northwestern portion of the Tiadaghton State Forest District and Lycoming County. The road is well-used as a corridor to the village of Slate Run and popular as a connector trail for snowmobilers.

[www.dcnr.state.pa.us](http://www.dcnr.state.pa.us)

### Background

- Slate Run Road from Manor Fork Road to Francis Road (see map on back) has been closed since September 2018.
- The closure resulted from historic rainfall and associated landslides in the region.
- The road condition is extremely hazardous, and vehicular travel (including snowmobiles) is prohibited.
- There are two areas in need of repair totaling roughly 725 feet (the larger area is about 550 feet).
- An alternate route to Slate Run village is available via Route 44 or Route 414 to Francis Road. (see map)

### Bureau of Forestry Actions

- Commenced consultations with Bureau of Facility Design and Construction in September 2018.
- Funding was requested in September 2018, estimated need is \$1,500,000.
- Design consultant/engineering firm was hired and held initial site visit on January 3, 2019.
- Core samples were drilled and completed on January 19, 2019.
- Site surveying was completed on February 5, 2019.
- Construction bids are slated for release on March 13, 2019 and scheduled for opening on March 28, 2019.

### Going Forward

Tiadaghton State Forest District staff is working with residents and local businesses to keep the public informed regarding the status of Slate Run Road and recent developments. The district is also offering a guided tour of the site in the Spring of 2019.

*For more information, please contact the staff of Tiadaghton State Forest.*
