

Sustainability Fair - Parker Dam State Park

**Come learn the realities
of sustainable living.**

**When: August 8, 2019,
10:00 AM to 2:00 PM**

Meet: Above Beach House

How do I go about putting solar on my house?
How quiet is the electric patrol motorcycle?
Does recycling really work? Why are PA State
Parks putting in electric car charging stations
and solar arrays? The future is here.
